Hartford Electric / WPPI Energy
Lineworker Training Scholarship Application

Program Purposes

- To encourage technical training for graduates of Hartford Union High School
- To educate youth about careers in their own communities
- To create an incentive for trained lineworkers.
- To provide value to the community to which we serve.
- To promote the benefits of public power utilities.

High school juniors, seniors and recent graduates of Hartford Union High School may apply for a $750 - $1,500 Lineworker Scholarship. The utility will hold the scholarship in trust until the student is officially enrolled in one of the approved programs and passes/completes the first semester courses. ***The scholarship check will be awarded after the utility receives proof of completing the first semester with a passing grade.***

1. The student should plan to attend in an Electrical Power Distribution program at one of five Wisconsin Technical Colleges that offer courses –

   Blackhawk Technical College (Janesville)
   Chippewa Valley Technical College (Eau Claire)
   Moraine Park Technical College (Beaver Dam)
   Milwaukee Area Technical College (Milwaukee)
   Northeast Wisconsin Technical College (Green Bay)

2. The applicant should fill out the Lineworker Training Scholarship Application, include a letter of recommendation from a teacher, counselor or employer that addresses the applicants' skills that are pertinent to the job (ex. Manually dexterous; in good physical condition; willing to work at all heights and in all weather; able to comprehend and follow written instructions; safety conscious).

3. The deadline for submitting applications is April 15 of each year. Interested applicants that are not able to make this deadline are encouraged to contact the utility to see if additional opportunities are still available.
